

PREMIUM FAST CASUAL · RAYFIELD, JOS

gemi

good food, no waiting.

A modern grab-and-go kitchen for burgers, shawarma and signature rice bowls — built on a crisp monochrome canvas, warmed with terracotta, walnut and living green. Editorial, photogenic, and made to scale.

BRAND & CONCEPT BOARD

A high-contrast canvas that lets the food do the talking.

**Project** Gemi Takeaway, Rayfield  
**Format** Single open-front bay · ~38 m<sup>2</sup>  
**Direction** Refined minimal / fast-casual  
**Prepared for** Lease proposal & fit-out

05 · POSITIONING

Why this works in Rayfield.

Rayfield sits on a busy arterial road with a spending, image-conscious customer base and few premium quick-service options. Gemi avoids the tired fast-food clichés of loud reds and plastic seating. Instead it offers a clean, photogenic space people want to be seen in and post about — turning every customer into free marketing.

Open-front bay   Drive-by visibility   Delivery-first   Instagrammable

THE ONE THING TO REMEMBER

Strip everything back to black and white — then let bright Nigerian food be the only colour that shouts.

That single discipline is what makes the brand feel premium, scalable and unmistakably its own.

Street View

Rayfield arterial road · daytime  
Glazed shopfront · 7'8" beam respected  
Concept impression, not photographic

Daytime exterior — glazed three-bay shopfront, white signage fascia with 24/7 and the Gemi wordmark, kitchen end-unit with retained staff door, festoon-lit forecourt patio.

Faithful to site setting

Inside *Gemi*

Service counter + seating nook  
Chevron marble · warm LED · terracotta seats  
Concept impression, not photographic

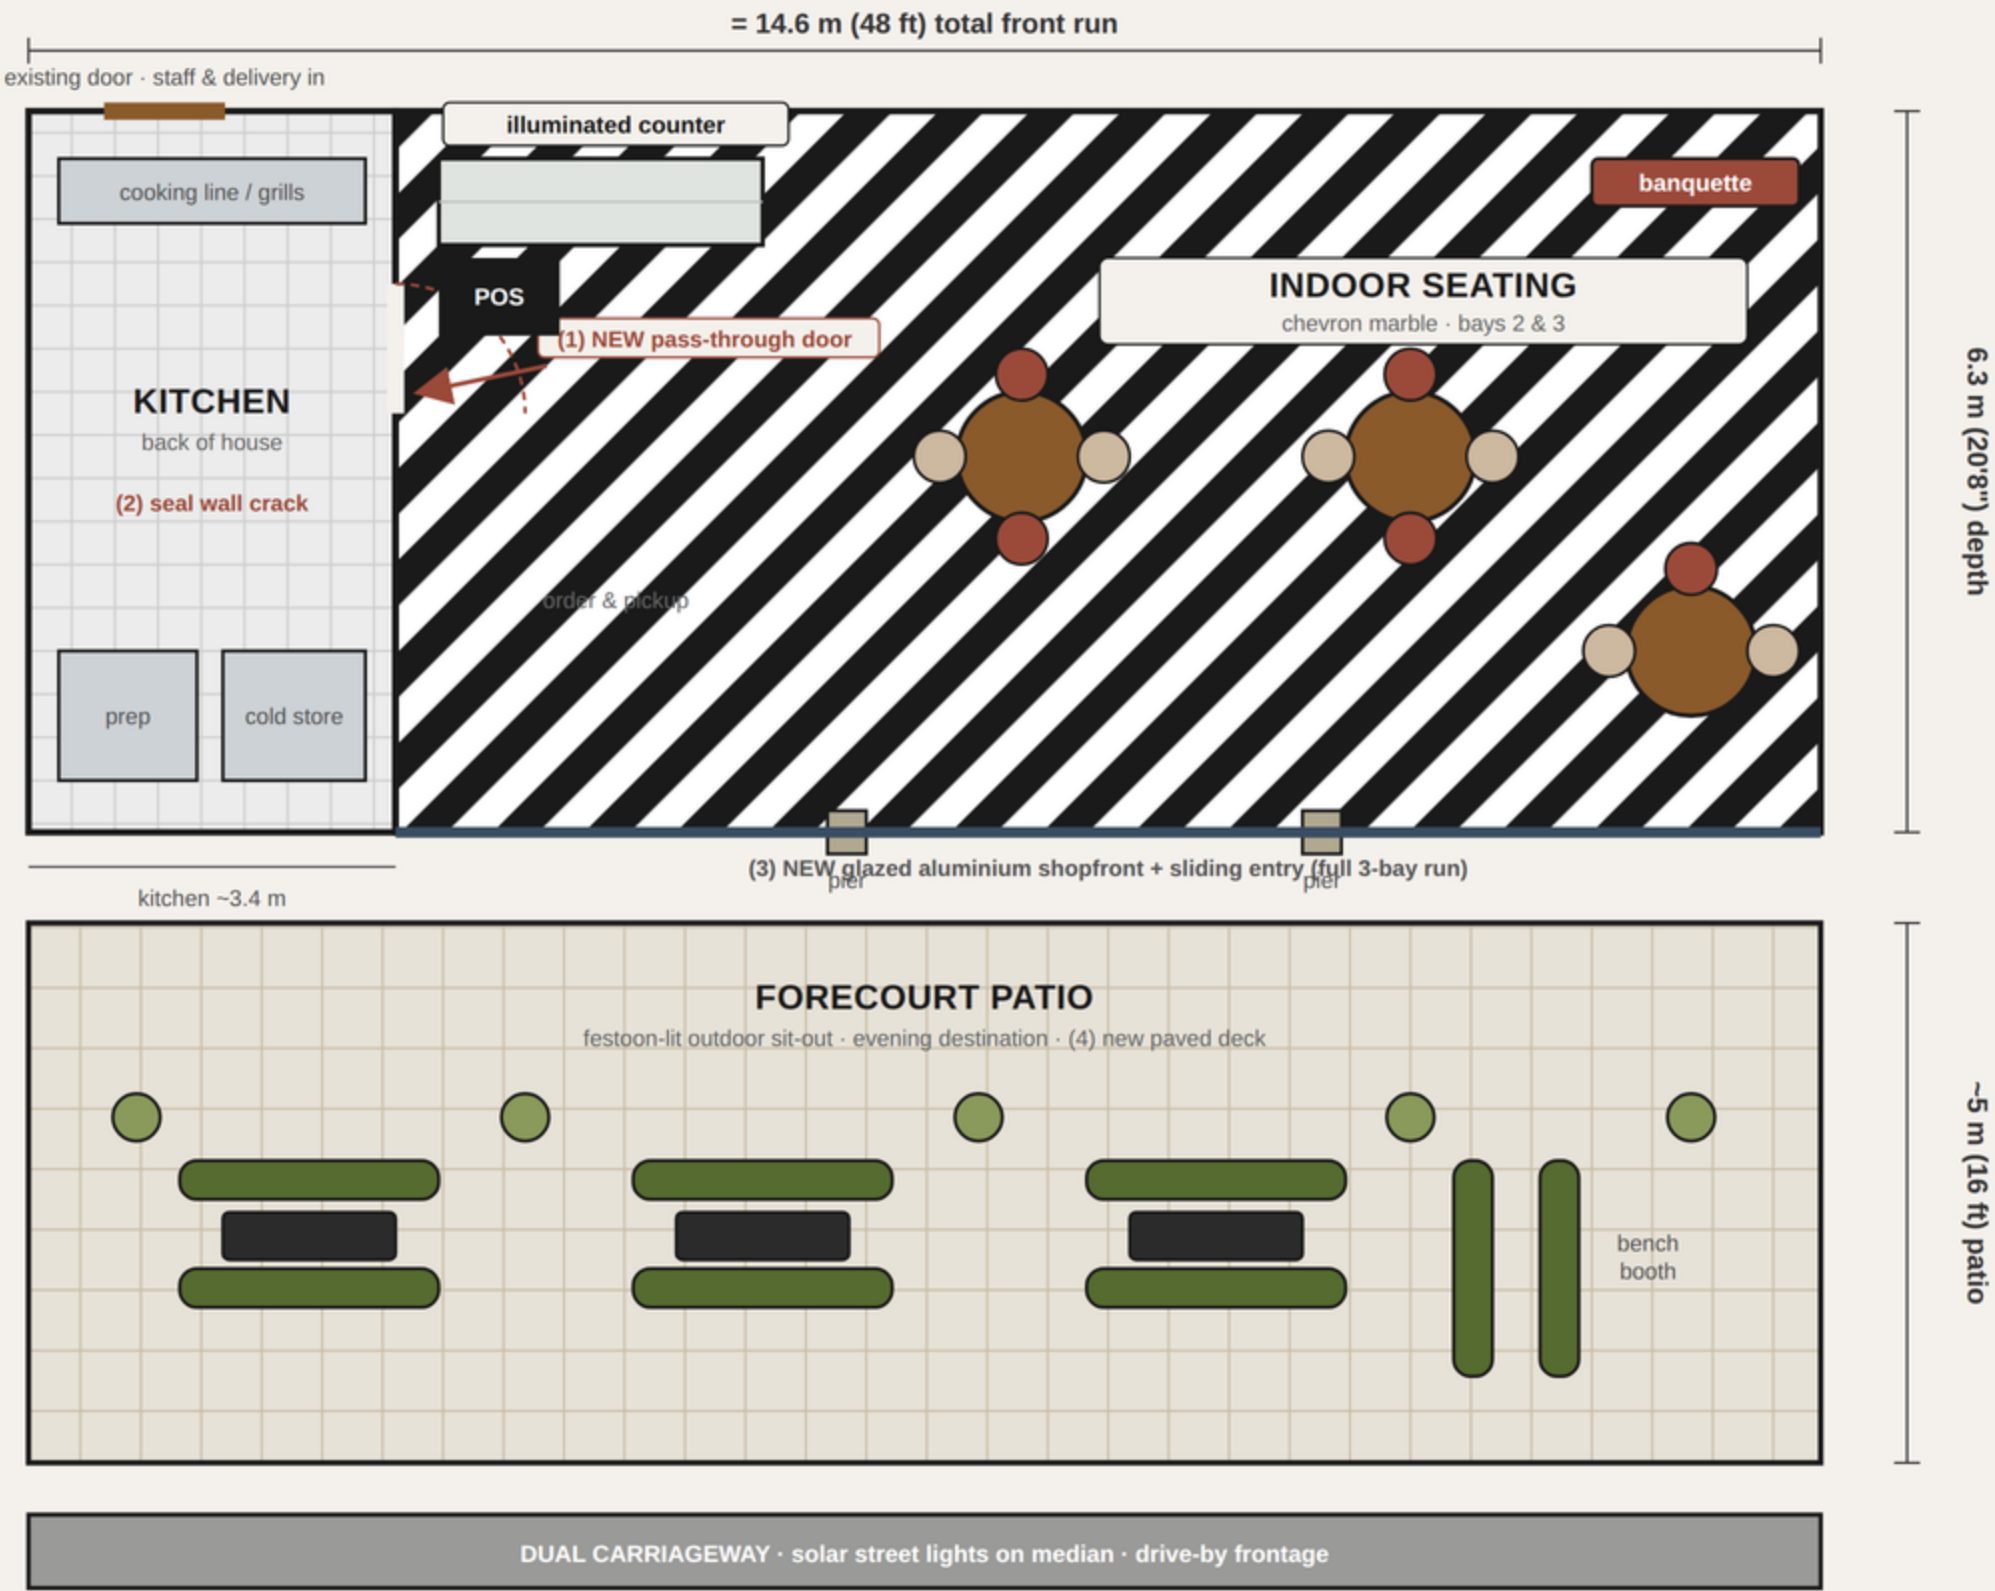

**Interior** — backlit glass-block counter with marble top, oversized Gemi logo on the feature wall, chevron marble floor, walnut tulip table with terracotta and grey channel-tufted chairs, warm linear LED pendants.

**Premium fast-casual**

# Floor Plan

Kitchen end-unit plus three connected open bays, opening to a forecourt patio. Counter and pass-through at the kitchen end; indoor seating across the middle and far bays. Drawn to scale from site survey.

|                |                    |
|----------------|--------------------|
| Leased         | Kitchen + 3 bays   |
| Front run      | ~14.6 m (48 ft)    |
| Bay depth      | 6.3 m (20'8")      |
| Front beam ht. | 2.34 m (7'8")      |
| Indoor area    | ~68 m <sup>2</sup> |

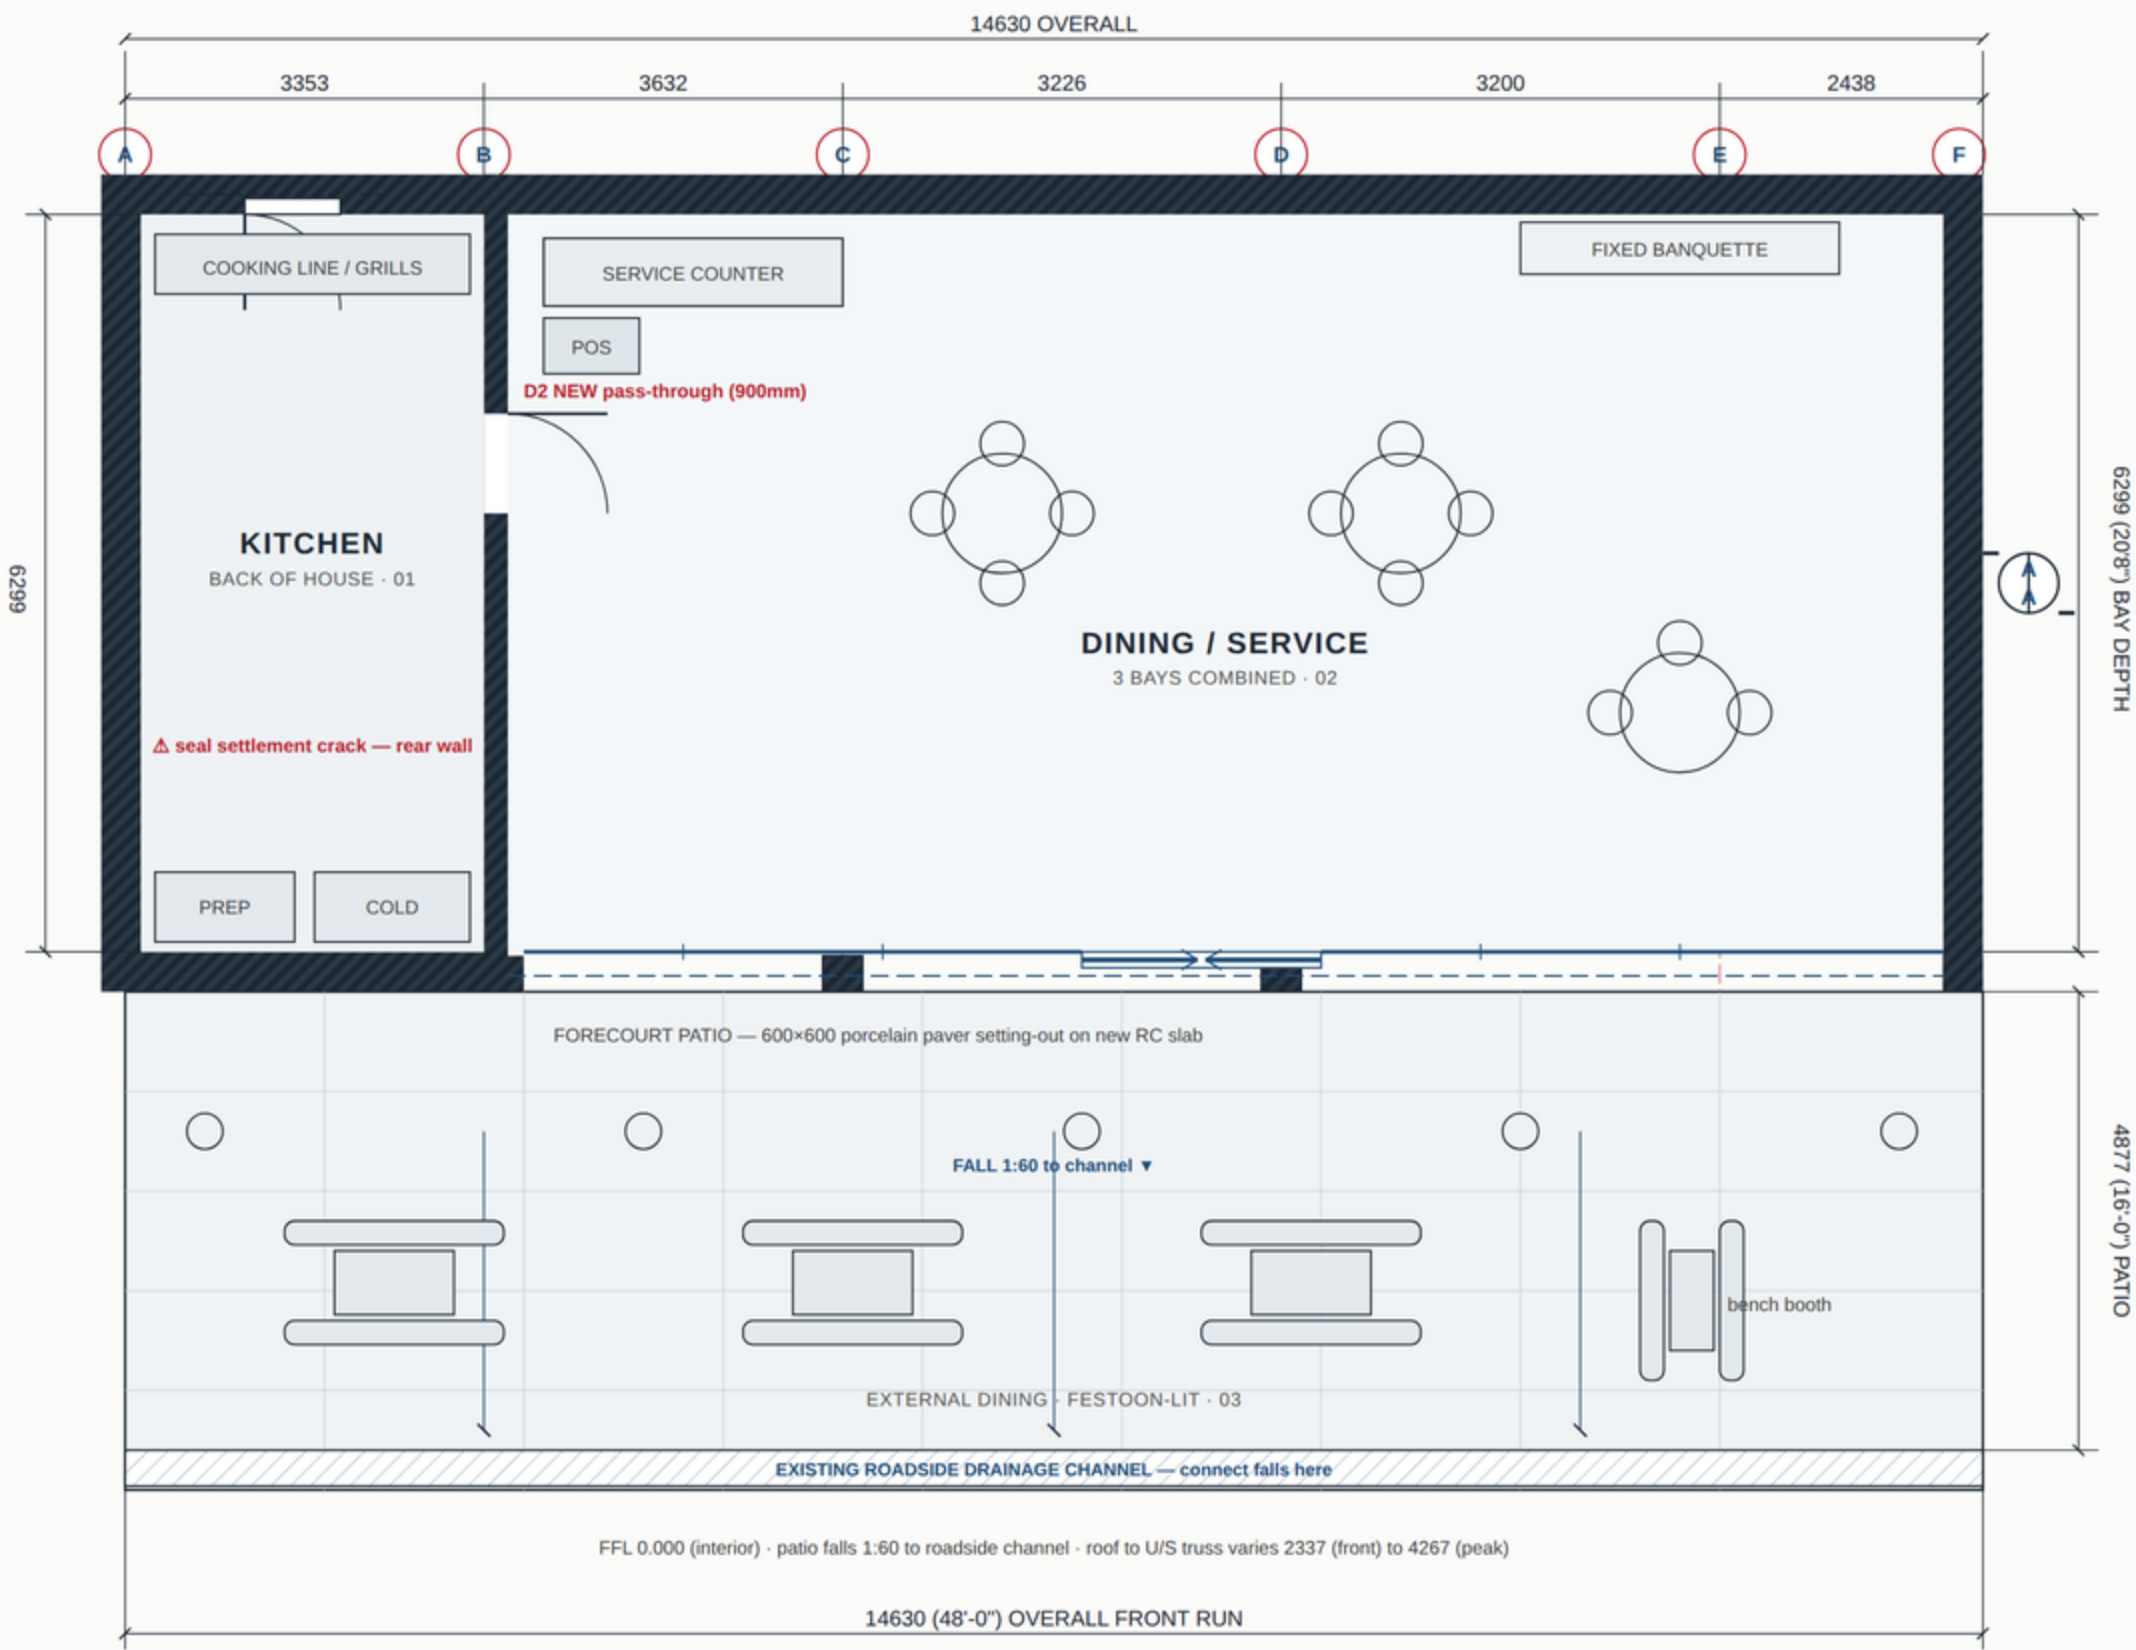

|                                                  |                                                   |                                                        |                                                     |

FIT-OUT WORKS FLAGGED ON THIS PLAN

- ▶ **(1) Pass-through door** — cut new internal doorway from kitchen to service bay (not currently open)
- ▶ **(2) Seal crack** — patch & reinforce settlement crack on kitchen rear wall
- ▶ **(3) Shopfront** — install glazed aluminium storefront across full open frontage
- ▶ **(4) Floor slab** — pour finished concrete slab over raw dirt (bays) + paved patio deck
- ▶ **Beam height 7'8"** — low front beam governs door & signage band height
- ▶ **MEP** — run electrical, water & lighting; skin/insulate ceiling under zinc roof

Wall (poché / cut)      Glazed shopfront      Structure over (beam)      Grid reference      Door + swing      **D2 / Δ** New work / action      Drainage channel      Drainage fall direction
